

Help Us

Ignite a Lifelong Passion for Nature by Donating to Our Education Fund Today

Our Big Day of Giving campaign is raising funds to bring local Kindergarten-8th grade classes to the Cache Creek Nature Preserve. Help students explore the wonders of the Cache Creek Watershed through hands-on experience. This year's donations will help us achieve:

K-8th Grade Field Trips

- \$50 would fund 2 Students (we aim for around 60 students per field trip)
- \$250 would fund One Bus Trip for 2 classes
- \$1,200 for One Field Trip with 6 education modules for 2 classes
- \$10,000 would fund our goal of 6 field trips for 12 classes over the 2026-2027 school year
